

## **NFI NORTH**

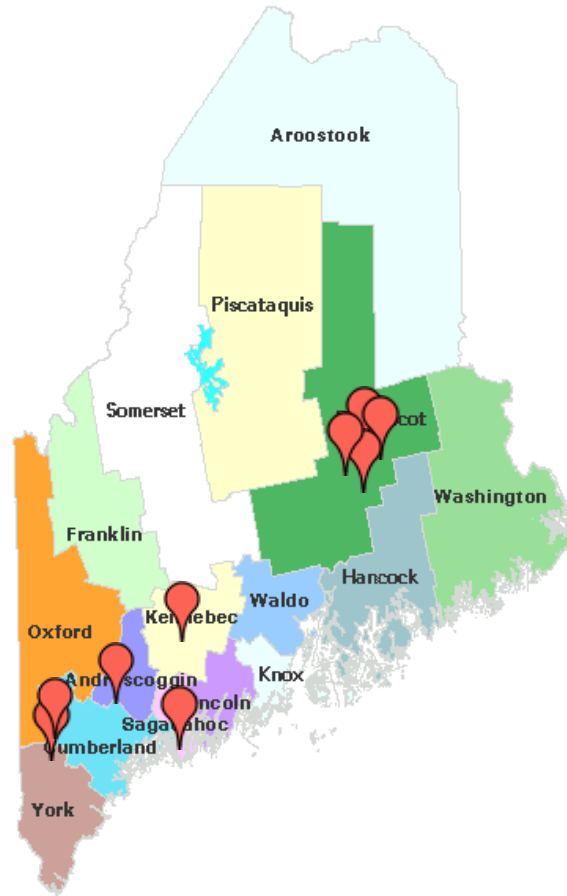

NFI North was incorporated in 1992 to develop community-based and in-home services for children, youth, adults and families within the Northern New England states of Maine and New Hampshire. Our focus is on helping the individual to grow and develop within the context of his/her family and community. Our mission is to create innovative services that meet the needs of individuals and families within their community.

# The Empowerment Fund

Each year the NFI North community celebrates the accomplishments of individuals who have benefited from the work of the organization. The honorees are individuals who have been confronted with many challenges yet have chosen to overcome these difficulties through their participation within the Agency's programs and services. Four honorees are recognized each year at our annual empowerment luncheon. This event is a celebration of their efforts and of all the fine work that is accomplished by the staff and consumers of NFI North.

Since its inception the Empowerment Fund has provided more than \$42,000 in awards and grants to our honorees. The award is designed to help the individuals honored continue on their path of personal growth and development. Many honorees have, for example, used their awards toward college tuition and continuing their education.

## Helping Those Who Help Themselves

"They never gave up on me but most of all they didn't let me give up on myself" James

"I finally found my voice and began to be myself" Brittany

"I was scared, but this program molded me into the woman I am today" Brooke

Empowering people to make choices that enrich their lives

## How You Can Help NFI North's Empowerment Fund

Your tax deductible gift will help to insure that this important program continues to recognize the work of our consumers. We encourage participation at any level and are actively seeking sponsors for the 2011 Empowerment Awards. Your gift will make a true difference in the life of each honoree. Please take a moment to consider a tax deductible donation to the NFI North Empowerment Fund.

## Help Us Reach Our Goal \$10, 000

"When I first came to NFI I fought against them so they would give up on me....but they never did" James
